§24–1707.

On or before October 1, 2021, and each October 1 thereafter, the Department shall report to the General Assembly, in accordance with § 2–1257 of the State Government Article, on:

(1) The eligible physicians, physician assistants, and medical residents who applied for the Program, including information on:

(i) The specialty of the physician, physician assistant, or medical resident;

(ii) The type and location of the site in which the physician, physician assistant, or medical resident provided services; and

(iii) The geographic area served by the physician, physician assistant, or medical resident; and

(2) The physicians, physician assistants, and medical residents who participated in the Program, including information on:

(i) The amount of assistance provided to each participant;

(ii) The specialty of the participant;

(iii) The type and location of the site in which the participant provided services; and

(iv) The geographic area served by the participant.
